To Whom It May Concern,

I have been fortunate to know Marinell Iliuc over the past seven years. I first met him when he accompanied a patient to the clinic. Over the years, she received such good care it was amazing. She continued to age, and have many medical issues. Despite her poor health, her leg wounds healed and she continued to thrive. She truly had a trusted and personal relationship with Marinell.

I was quite pleased to once again see and work with Marinell, now that another of our clinic patients is residing in ETD Senior Home Care.

I would without reservation recommend Marinell and Oliva Iliuc and their ETD Senior Home Care for you or your family member.

Sincerely,

Donna Gerity, RN, MN
